

To all CRC certificants and candidates,

Did you happen to see the Wall Street Journal article last week indicating the CRC is one of the top retirement credentials consumers should look for? [Click here](#) to go to the InFRE website and view the article.

Another [article](#) exclusively about the CRC program was featured on LifeHealthPro.com a couple of weeks ago.

I'm delighted to share this well deserved recognition of the CRC program and our CRC certificants.

Regards,
